

### **OUR ACADEMY**

We have one of the largest youth football training structures

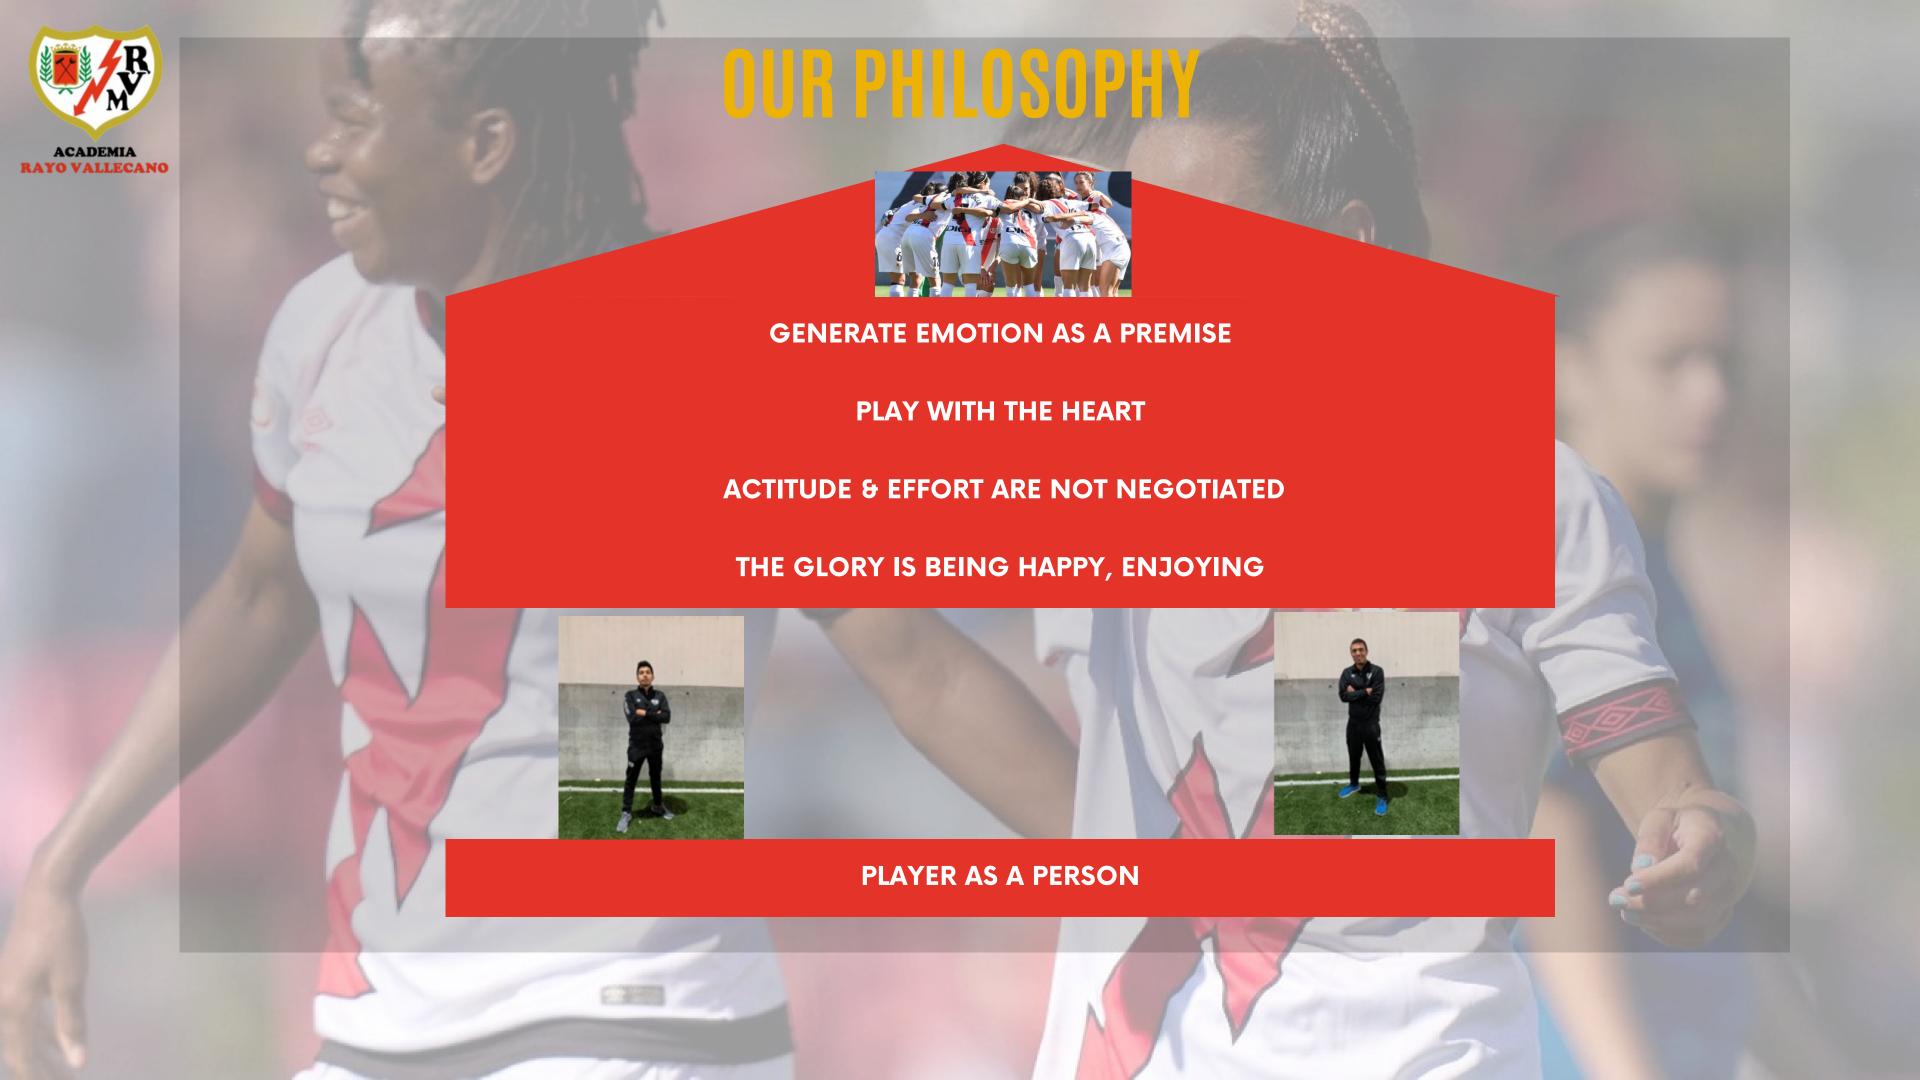

ACADEMY - 103 TEAMS

• We have all age categories from U23 to U7 (prebenjamín).

 We have 10 teams per age category, competing in both the highest and lowest levels of competition.

**WOMEN'S SECTION** 

• 11 female teams ranging from (U9) Alevines to (U19) Juveniles.

Training sessions with the club's teams, using the Rayo Vallecano methodology.

- You will be just another player on our squad.
- The training sessions are exclusively conducted by high-level coaches who fully understand and embody our comprehensive methodology, covering technical and tactical aspects with a variety of top-notch exercises.

Compete with our teams (10 months of competition) according to the player's level (from highest to lowest).

- Participate in one of the most competitive federated leagues on the continent and wearing the shirt of a benchmark like Rayo Vallecano makes this experience unique and unparalleled. It allows the player to have better development and training than just through practices and friendly matches. It's 10 months of federated competition (Madrid Football Federation).
- We have a large number of federated teams that allow players to experience the complete journey in teams adapted according to their level, categorized by letter (from highest to lowest).

### 360 training

Through a unique 360 training, we impart a methodology where we combine physical and emotional benefits in sports practice, assimilating educational and universal values in team sports. Optimizing psychological, technical, tactical, and conditional aspects.

Performance evaluations and individual improvement assessments

### **Our facilities**

Our facilities are located in a strategic point in the Vallecas District, featuring 4 regulation synthetic pitches, changing rooms, and equipment to provide close service.

Multicultural sports experience + a city rich in culture

- You will live in the capital of Spain, a city with a high quality of life, multicultural, with a wide range of gastronomic offerings.
- This season, we have a great cultural diversity with more than 20 nationalities in our teams from different parts of the world, making us one of the academies with the greatest cultural diversity.
